

May 1 –
October 31
PROGRAM RUNS

NEIGHBORHOOD GREEN-CLEAN UP

Sweep
sidewalks

Trim vegetation
covering lights, windows
& entranceways

Remove dry yard
debris that creates
a fire hazard

Trim branches
away from house

Trim hedges growing
over sidewalks

Mow lawns

Weed & share
cost of mulch

City supplied dumpster
for your weekend big
green debris projects...

... WHAT CAN YOU DO IN A DAY?

- Get to know 10 of your closest neighbors & make work easier by sharing tools
- Help improve the appearance of your neighborhood
- Organize a service project to help other neighbors
- Use clean-ups to discuss neighborhood safety, block watches, emergency preparedness
- Celebrate with a block party

Organize a Green-Clean Up in your neighborhood, for details, visit Neighborhood Outreach
